

## INTERNATIONAL SHIPPING

During our checkout process we provide a list of international locations to which we ship. We only ship to those international locations listed. All orders are subject to any/all applicable taxes and duties specific to each country shipping destination. By placing your order with the Dallas Cowboys, you are considered the importer of record, and as such, you will be responsible to comply with all applicable laws and regulations. Furthermore, you will be responsible for all taxes, duties, and collection fees in addition to your shipping charges. Please allow additional delivery time for orders with international shipping destination locations. Please contact our guest service center via email [cservice@dallascowboys.net](mailto:cservice@dallascowboys.net) for any international shipping inquiries.

## SHIPMENTS TO CANADA

**The Dallas Cowboys have negotiated with UPS a very attractive Brokerage discount, lowering the total overall cost for our customers in Canada.**

"Canada Customs requires Canadian recipients to pay applicable duties and taxes on each shipment entering Canada. These charges may include PST, GST, HST, duties and other taxes of goods (e.g. excise tax). A brokerage fee is also charged to process shipments and present the requisite customs paperwork to Canada Customs on the importer's behalf.

Your order will be shipped under UPS's e-Tailer Brokerage Program (eBP), where eligible shipments imported into Canada for non-commercial purposes and valued under CAD\$ 200 shipped via UPS Standard service are subject to a reduced brokerage fee of CAD\$ 10, plus any applicable duties and taxes. Shipments valued at CAD\$200 and above and/or being imported to Canada for commercial purposes and/or subject to specialized clearance may incur additional fees.

Please, be aware that UPS will request payment of these charges at the time of delivery. You have the ability to call UPS ahead of time (1-800-742-5877) to pay these charges, eliminating the need for payment on delivery."
